No.CIC/4/2016-Rgr.

Dated:- 17.04.2017

ORDER

It is noticed that number of online second appeals/complaints have been received unsigned in the Commission which we have to send them back with the Facilitation Memo to the appellants/complainants.

It has now been decided by the Competent Authority not to insist for signed appeal/complaint, if made online, in order to streamline the registration process of appeals/complaints.
